**Wythall Community Association (WCA) and Wythall Community Club (WCC)** - There is £15 for annual WCA and WCC membership already included in the fees listed for anyone over the age of 18. This fee provides entry into Wythall Park and is a required condition of WTC membership. It also admits you to the Community Club bar in Wythall House. If you arrange your WCA/WCC membership directly rather than through the Tennis Club, please contact the membership secretary with your WCA/WCC membership number and deduct £15 per adult member from the total payable to the Tennis Club.

**Parking** - This is implemented by WCA. The parking system operates at all hours and every day. The Tennis Club and other constituent groups on the park do have a discounted annual rate (£18). If you would like to take advantage of the Tennis Club's discount, then fill out the parking form on the WCA website and pay WCA for your parking permit.

**Use of Personal Data** - The Tennis Club will only use the data provided for the purposes of contacting you on matters related to the running of the Tennis Club. We will also pass your name and contact details to the WCA/WCC so that they have accurate membership records and can also contact you. Data will not be used for any other purposes.

**Lapsed Forms** - In the event that fees are not paid by 1st April, then membership is lapsed and a £10 late fee will be required on re-application.

**Membership for part year** - The full annual subscription is payable if joining between March and August. A half year subscription from September to February is available at half price.

**Juniors** - If you wish to have a key to the clubhouse then one may be obtained on payment of an additional £5. Please speak to a committee member. Otherwise, Junior members can access the courts through the gate (access code will be supplied).

**Floodlights/Balls** - Free use of floodlights and tennis balls is included in membership of the club. In agreement with our planning permission and the residents all floodlights must be turned off at 10pm.

**Court Booking** - Are managed through the LTA's ClubSpark System. Please note that online court bookings are available for members only at Wythall Tennis Club. It is advisable to book a court for your own use. Courts for organised club play, matches, tournaments and group coaching are booked for you.

**Guests** - Members are allowed to bring guests to play matches they have arranged themselves. We charge £5 per guest which should be placed in the 'Green Box' by the clubhouse door or given to a committee member. Guests are also welcome to participate up to 3 times at our social tennis sessions. After 3 visits they must join as Full members if they wish to continue. Guests are entitled to use all the club's facilities. Members are responsible for the behaviour and safety of their guests. All guests have a responsibility to adhere to the rules of the club.

**Coaching only membership** - If you only use our courts when being coached on a 1:1 basis by one of our coaching team, there is a reduced fee of £34 for the year (£17 half year) and you also pay a visitor fee of £5 per session. This special arrangement can only be made through one of our coaching team.
